

General Data Protection Regulation and the Data Protection Act 2018

Erwood and District Show is an annual village agricultural show administered on a not for profit basis by the Show Committee. Any personal data held by the Show Committee will be used solely for the legitimate purposes of administering and generally promoting the Show and Annual Dinner. This includes, keeping a list of the names and (where appropriate), the contact details of members of the Show Committee, Show Vice Presidents, volunteer helpers, judges, guest speakers, suppliers of goods and services to the Show and the participants and winners in any of the competitions and raffles held at the Show.

Video and still photographs of competition participants and winners and visitors to the Show taken on behalf of the Show Committee or by members of the public may be used to publicise the Show in print, on social media and may be shared for publishing with local or national newspapers or other printed and online news media. If you do not wish photographs of yourself or any children that you are responsible for to be used in this way, or have any other concerns about the use of your personal data, please contact a member of the Show Committee and where reasonably possible, we will endeavour to comply with your request.

Personal data held by the Show Committee will not be used for direct marketing purposes and will not be shared with third parties other than for the purpose of administering and generally promoting the Show and Annual Dinner as outlined above.
